

Crafty Kids Parties

Book your child's next birthday party with us. At Craft House we run parties designed to inspire creative minds. Parents can relax and enjoy the celebration while our trained tutors ensure the children have FUN as they complete a craft project they will be proud to bring home.

How it Works:

1. Choose your preferred date and time:

Our parties run for 2hrs. We generally take 1 ½ hours for the tutor led craft activity, then you'll have 30mins for party food/cake/presents if you choose to bring these. Please contact us to check availability of dates. Times can be flexible but are generally 10am-12pm, 12-2pm or 2-4pm.

2. Choose your project:

Select one of our high-quality crafting options or let us create something especially for your group. Most of our projects can be adapted to suit a party theme if you have one ... just let us know.

3. Pay a deposit:

Parties start at \$150 for 6 children ... extras at \$20 each ... with a maximum of 12 in total. We ask that you pay a deposit of \$50 to secure your booking, the balance can be paid on the day of the party.

Please Note:

Our crafty parties are aimed at the age of the birthday child, if your guests are much younger or older please let us know so we can plan accordingly ... younger children will require additional supervision.
